

NAMASTE!!

At the outset the Saral Diagnostics Classics Radiology team welcomes you to our all new monthly newsletter! We are really excited about this new introduction. In these unprecedented COVID times, it is only the drive to continually improve and upgrade, that keeps us going and the times have also made us all realise the importance of keeping at pace with the changing practices and advancements like never before. This newsletter is our small step in the same direction.

ABOUT SARAL DIAGNOSTICS CLASSICS [SDC]

Saral Diagnostics Classics, [a part of the renowned SARAL Diagnostics Group, established in the year 1984], was established in Noida in 2018, with the motto 'A Step ahead always'. Since then it has been working tirelessly to live up towards the vision and become an exemplar of quality and professionalism.

Saral Diagnostics Classics is the only NABH and NABL accredited diagnostic facility in Noida, and is a one stop for all your diagnostic needs with state- of- art facilities which includes:-

- ▶ 24 channel Siemens MRI with dedicated coils,
- ▶ 1000 slice + Siemens CT Scan with cardiac capability
- ▶ X-Ray & fluoroscopy incl. HSG, IVP, Barium Studies
- ▶ Ultra Sound, Color Doppler, ECHO, DSE & Stress ECHO
- ▶ Full body DEXA Scan
- ▶ Mammography
- ▶ EPS, EEG, EMG
- ▶ ECG, TMT, Holter
- ▶ PFT
- ▶ Laboratory services – Biochemistry, Pathology, Haematology, Microbiology, Serology, Histopathology, Cytopathology and Immunology, and also COVID testing.
- ▶ Nuclear Medicine (Pitampura branch)

In continuum with our motto, we are introducing this monthly newsletter, to

- ▶ Keep our doctors as well as patients up to date with all new that we are doing and introducing.
- ▶ Share new and interesting cases keeping live the spirit of academics, which is the basis for proper patient management, the essence of medicine.
- ▶ Give time to time updates regarding the various practice changing publications and modalities.
